Product Overview

Excavator Bucket Tooth and Adapter Set

This high-performance bucket tooth and adapter set is engineered for demanding excavation environments. Designed for compatibility with EC290 and LG6300 series machinery, the kit includes a durable tooth alongside standard and bevel adapters. Each component is crafted for superior wear resistance and precise fitment, ensuring consistent productivity and extended service life for your heavy equipment.

Compatibility & Specifications

Included Components

- Bucket Tooth
- EC290-50 Adapter
- EC290-50 Bevel Adapter

Compatible Models

EC290, LG6300

Quality & Performance

Key Features

Wear-resistant • Fine workmanship • Stable performance • Heavy-duty construction
