

Flat Screen Television

This flat screen television features a modern design with a sleek, minimalist stand. The screen is reflective gray, and black speaker grills are on either side.

Product Overview

Modern Professional Display Solution

This flat screen television features a refined, minimalist design suitable for professional environments. With a silver-finished frame and integrated side speaker grills, it combines modern aesthetics with essential functionality. The unit is designed for stability with a sleek stand and includes a prominent visual power status indicator for ease of use.
