

Floral Bypass Pruning Shears with Steel Blade

These bypass pruning shears feature a durable steel blade for clean and precise cuts. The ergonomic handles provide a comfortable grip and reduce hand fatigue during extended use.

Product Overview

Professional Floral Pruning Shears

These high-quality bypass pruning shears are designed for clean and precise cuts in garden environments. Featuring a durable steel blade and ergonomic handles, they ensure comfort and reduce hand fatigue during extended use. The unique floral pattern adds a stylish aesthetic, while the integrated locking mechanism ensures safe storage when not in use.
