

Flower Shaped Decorative Bowl

This decorative bowl is shaped like a flower, featuring translucent white petals and a brown center. It rests on a dark-colored pedestal base and is suitable for holding small items or as a decorative piece.

Product Overview

Elegant Floral Design

This flower-shaped decorative bowl combines aesthetic charm with functional versatility. Featuring delicate translucent white petals surrounding a distinct brown center, the bowl is supported by a sophisticated pedestal base. It serves as an ideal accent piece for interior decor or as a refined vessel for organizing small personal items.
