

Folding Steel Step Stool with Non-Slip Steps

This steel step stool provides a sturdy and reliable platform for tasks requiring elevated reach. Its folding design allows for convenient storage and portability.

Overview

Sturdy Steel Folding Step Stool

This durable steel step stool is designed to provide reliable assistance for elevated tasks in professional and domestic environments. Featuring two wide steps with non-slip surfaces, it ensures maximum safety and stability for the user. Its compact, folding mechanism allows for effortless storage and portability, while high-grip rubber feet protect your floor surfaces from scratches.
