

Folding Trolley Cart with Aluminum Pull Rod

This folding trolley cart is designed for convenient transport of groceries, luggage, or tools. It features an aluminum pull rod for easy maneuvering and a foldable design for compact storage.

Product Overview

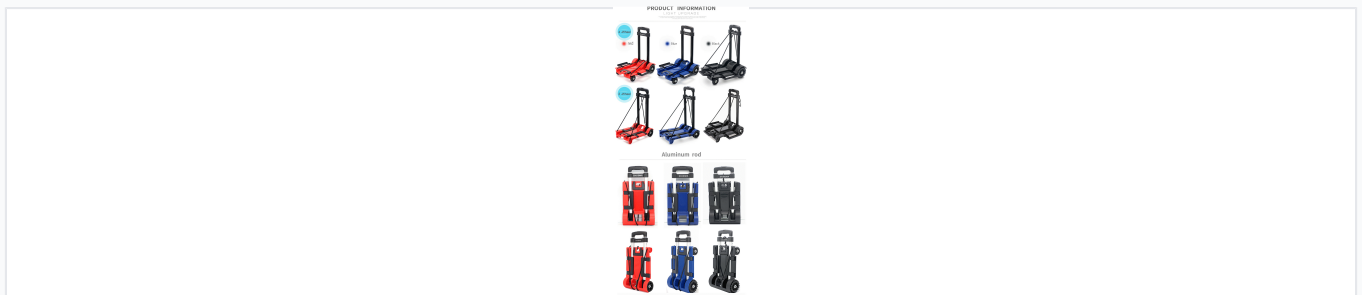

Compact folding design makes it easy to transport and store in a vehicle.

Versatile Foldable Trolley Cart

This multifunctional foldable trolley cart is an ideal solution for transporting groceries, luggage, tools, or beach essentials with ease. Designed for convenience and portability, the cart features a lightweight yet durable frame with a telescopic aluminum or steel pull rod. When not in use, it folds flat for compact storage, making it perfect for keeping in a car trunk or home storage areas.
