Overview

High-Performance Hammer Drill Bit

This professional-grade hammer drill bit is engineered for efficient drilling in concrete, masonry, and stone. Featuring a robust 4-cutter head design, it ensures optimized material removal and increased drilling speed for demanding applications. The advanced spiral flute geometry facilitates rapid debris extraction, which reduces heat buildup and minimizes vibration during operation.

Technical Specifications

Compatible Materials

- Concrete
- Masonry
- Stone
- Brick

Design Features

4-Cutter Head, Spiral Flute Design, SDS-Plus Shank

Construction Material

High-grade steel
