

Freestanding Hot and Cold Water Dispenser

This freestanding dispenser provides both hot and cold water. It features a dual-tap system and a lower storage compartment.

Product Overview

Professional Water Dispensing Solution

This freestanding water dispenser provides instant access to hot and cold water, making it an ideal choice for offices and commercial spaces. Featuring a dual-tap system with hands-free controls, it ensures efficient and hygienic hydration for all users. The unit includes a integrated storage cabinet that can function as a refrigerator, offering added utility in a compact design.
