

Freestanding Hot and Cold Water Dispenser

This freestanding water dispenser offers hot, cold, and ambient water options. It is designed for convenient use in homes or offices.

Product Overview

Premium Water Dispenser

This freestanding water dispenser provides convenient access to hot, cold, and ambient water for office and home environments. Its sophisticated black and gold finish offers a professional look, while integrated indicator lights monitor heating and cooling status for ease of use. Equipped with a side-mounted cup holder, this unit combines functional performance with a stylish design.
