

Full Motion TV Wall Mount for 14-42 inch Screens

This full-motion TV wall mount is designed for 14-42 inch screens. It features easy tilt adjustment and swivels up to 90° at the wall, 270° at the central pivot point, and 90° at the interface, extending from 100mm to 400mm.

Product Overview

Versatile Full-Motion Mounting Solution

This professional-grade wall mount is engineered for small-to-medium screens ranging from 14 to 42 inches. It provides exceptional flexibility with smooth tilt, swivel, and extension capabilities to ensure the perfect viewing angle in any environment. Built with high-quality steel and including a decorative cover, this unit combines robust structural integrity with a clean, modern aesthetic.
