

Full Suspension Mountain Bicycle

This full suspension mountain bicycle is designed for recreational riding on varied terrain. It features a yellow frame, knobby tires for off-road traction, front suspension fork, rear shock absorber, multi-speed drivetrain with derailleurs, and a padded seat.

Overview

Built for Adventure

This full suspension mountain bicycle is engineered for recreational riding across varied and challenging terrains. Featuring a durable yellow frame and an advanced dual-suspension system, it absorbs impacts to ensure rider comfort and control. With a multi-speed drivetrain and high-traction knobby tires, this bike is ready for off-road trails and rugged paths.
