

Full Suspension Mountain Bicycle

This full suspension mountain bicycle is equipped with knobby tires for superior off-road traction. It features front and rear suspension for enhanced control and comfort on challenging terrain.

Product Overview

Designed for Performance and Comfort

This full suspension mountain bicycle is engineered for recreational mountain biking and trail riding. It features a robust frame design with both front and rear suspension systems to ensure enhanced comfort and control when navigating rough terrain. Equipped with a multi-speed drivetrain and high-traction knobby tires, this bike is built to handle diverse off-road conditions with ease.
