

Full Suspension Mountain Bike

This full suspension mountain bike features a green and white frame and disc brakes. It is equipped with a multi-speed drivetrain for efficient climbing and descending.

Overview

Performance-Ready Mountain Bike

This full suspension mountain bike is engineered for rugged off-road adventures, featuring a robust green and white frame designed for durability. Equipped with both front and rear suspension, it ensures superior shock absorption and control on challenging trails. With reliable disc brakes and a multi-speed drivetrain, this bike offers the stopping power and versatility needed for efficient climbing and descending on varied terrain.
