Product Overview

Versatile Gasoline Brush Cutters

This series of gasoline-powered brush cutters offers professional-grade performance for heavy-duty vegetation clearing, trimming, and landscape maintenance. Available in three displacement models (26cc, 33cc, and 43cc), these machines are engineered for efficiency and durability. Featuring ergonomic double or single hand-hold configurations and robust blade compatibility, they are ideal for tackling overgrown areas and demanding environments.

Performance Metrics

Performance Comparison

Model	Displacement	Max Power	Fuel Tank
VMBC260	26	0.86	0.75
VMBC330	33	0.9	1
VMBC430	43	1.4	1.25

Technical Specifications

Starting System	Recoil
Handle Configuration	Double Hand-hold (Single Hand-hold option)

Cutting Capabilities

Compatible Blades & Tools	2 Teeth, 3 Teeth, 4 Teeth, 8 Teeth, 30 Teeth, 80/81/82 Teeth, Cutting Line
