

Gasoline Powered Earth Auger with 150mm Bit

This gasoline-powered earth auger is ideal for drilling holes in the ground. It features a 42.7cc engine and comes with a 150mm auger bit.

Product Overview

Professional Earth Auger

This gasoline-powered earth auger is designed for high-efficiency drilling in orchards and woodlands. Engineered for reliability, it features a powerful engine capable of consistent performance with low fuel consumption. The included 150mm bit makes it a versatile tool for agricultural and forestry applications.

Engine Specifications

Standard Power

1.25 kW
Power

7000 r/min
Speed

Engine Model	1E40F-5S
Displacement	42.7 cc
Mixed Fuel Ratio	25:1

Drilling Performance

Auger Bit Diameter	150 mm
