

Gasoline Powered Pressure Washer

This is a gasoline pressure washer. It is designed for heavy-duty cleaning tasks and removing dirt, grime, and debris from surfaces.

Product Overview

Heavy-Duty Cleaning Performance

This gasoline-powered pressure washer is engineered for demanding cleaning tasks, combining a robust OHV engine with a durable frame construction. It provides the high-pressure output necessary to efficiently remove stubborn dirt, grime, and debris from a wide variety of surfaces. With its versatile nozzle options, it is an ideal solution for maintaining driveways, decks, and vehicle fleets.

Technical Specifications

Model Number	LPW2900
Power Source	Gasoline
Engine Type	OHV (Overhead Valve)

Features

Included Nozzles

- Multiple nozzle options for versatile cleaning

Best For	Driveways, Decks, Vehicles, Heavy-duty cleaning
