

# General Purpose Batteries

General purpose batteries designed for broad compatibility with consumer electronics. Available in multiple sizes and colors to suit different device requirements.

## Product Overview

### Reliable Power Solutions

These general-purpose batteries are designed to provide consistent and dependable energy for a wide range of consumer electronics. Engineered for versatility, they support various household devices, ensuring reliable performance when needed. Their durable construction makes them an essential choice for everyday power requirements.

## Technical Specifications

### Suitable Applications

- Remote Controls
- Flashlights
- Clocks
- Toys
- Portable Electronics

### Packaging Style

Retail Ready • Multi-size

### Battery Chemistry

Alkaline, Zinc-Carbon

### In Stock

Yes
