

Golden Woman Profile Medallion Wall Plaque

Golden medallion features a woman in profile holding a flower, with a dagger above her head. This wall plaque adds a touch of historical artistry to any space.

Product Overview

Artistic Wall Decor

This Golden Woman Profile Medallion Wall Plaque is a sophisticated decorative piece designed to add historical elegance to any interior space. Featuring a high-relief profile of a woman holding a flower, the design is accented by a symbolic dagger, creating an intriguing artistic narrative. Crafted with a rich golden finish, this wall plaque serves as a compelling focal point for galleries, homes, or themed commercial environments.
