

# Green Metal Hand Trolley with Pneumatic Wheels

This hand trolley is designed for transporting various loads. It features a durable green-painted metal frame and pneumatic wheels for smooth movement.

## Product Overview

### Robust Material Handling Solution

This robust hand trolley is designed for efficient transporting of various loads in warehouses, workshops, or home settings. Constructed from durable green-painted metal tubing, the frame is fully welded to ensure strength and stability during operation. It features two pneumatic wheels, providing smooth movement and reliable performance across different surface types.

## Key Metrics

### Load Capacity

**80 KG**

Max Load

## Dimensions

### Trolley Dimensions

Dimension Type	Value
Length	570 mm
Width	520 mm
Height (Retracted)	730 mm
Height (Extended)	1070 mm

## Technical Details

### Wheel Type

Pneumatic

### Wheel Specifications

10" x 3.5" (350-4)

### Construction Features

Metal Tubing, Welded Frame, Green Finish, Dual Handle Design
