

Heated Pet Mat with Leaf Pattern

This heated pet mat provides a comfortable and warm resting place for your pet. Featuring a soft, leaf-patterned cover, it blends seamlessly into any home decor.

Product Overview

Comfort and Warmth for Pets

This heated pet mat provides a comfortable and warm resting place for small to medium-sized pets, offering relief from cold floors and promoting relaxation. Featuring a stylish leaf-patterned cover, it blends seamlessly into any home decor. The unit includes a low-voltage heating element for safe, consistent warmth, managed by an integrated thermostat with adjustable settings.
