

Heavy-Duty Rolling Tool Cabinet with Aluminum Handle

This is a heavy-duty rolling tool cabinet with a solid wood worktop. It features an aluminum recessed side handle, full-extension ball-bearing drawers, grease-resistant EVA drawer liners, and plastic corner bumpers.

Overview

Professional Grade Tool Organization

This heavy-duty rolling tool cabinet is designed for demanding workshop environments requiring robust organization and mobility. Featuring a reinforced structure with impact-resistant corner bumpers, it ensures long-lasting durability in busy industrial settings. The unit offers exceptional load capacity and ergonomic handling, making it a reliable choice for professional mechanics and maintenance teams.
