

Heavy-Duty Steel Wheelbarrow with Pneumatic Tire

This heavy-duty wheelbarrow features a robust steel frame and a deep-dish tray. It is equipped with a pneumatic tire for smooth maneuverability and ergonomic handles for a comfortable grip.

Product Overview

Robust Material Handling Solution

This heavy-duty steel wheelbarrow is engineered for demanding tasks in construction, landscaping, and gardening. Featuring a deep-dish tray design, it facilitates efficient loading and unloading of heavy materials like gravel, soil, and debris. The unit is built with a sturdy steel frame for maximum stability and long-term durability under pressure.

Technical Specifications

Key Features	Heavy-Duty Steel, Pneumatic Tire, Deep-Dish Tray, Ergonomic Handles
Wheel Specification	Pneumatic Tire

Applications
