Overview

Clean Air for Home and Office

This high-efficiency air purifier is designed to create a healthier indoor environment by effectively removing dust, pollen, smoke, and odors. Featuring a powerful 3-stage filtration system and built-in ionizer, it ensures clean air circulation in spaces up to 30 square meters. With its quiet operation and intuitive touch panel, it is an ideal solution for bedrooms, living areas, and professional office environments.

Performance Metrics

CADR (Clean Air Delivery Rate)

106 CFM
CADR (CFM)

180 m³/h
CADR (m³/h)

Effective Coverage Area: 30 m²

Noise Level: 48 dB

Technical Specifications

Power Requirements: 100V-240V, ~50/60Hz

Power Consumption: 30 W

Filtration System

Filtration Stages

- Nano-silver PP filter (bacteria removal & pre-filter)
- True HEPA filter (99.97% particle removal)
- Activated carbon filter (odor & VOC removal)

Negative Ion Concentration

3x10⁶ ions/cm³

Features

Maintenance Features

Filter Change Indicator • Auto-Off Safety Switch

Control & Operation

Touch Panel, 3 Fan Speeds, Sleep Mode, 8-Hour Timer
