

High-Gloss Black Double Slat Kidney Grille Set for BMW 1 Series F20 LCI 2015-2016

This high-gloss black double slat kidney grille set is designed for BMW 1 Series F20 LCI models manufactured between 2015 and 2016. The grilles are made from durable ABS plastic with a UV-resistant coating and allow for easy installation.

Product Overview

Premium Styling for BMW 1 Series

This high-gloss black double slat kidney grille set is specifically designed for the BMW 1 Series F20 LCI (2015-2016) facelift models. Constructed from durable ABS material with a UV-resistant coating, these grilles offer a sporty and aggressive aesthetic while ensuring long-term resistance to fading. The direct replacement design allows for a seamless installation that enhances both the vehicle's appearance and airflow to the engine bay.
