

High-Lumen LED Bulb

This LED bulb provides efficient lighting with a high lumen output. It has a long lifespan and reduces energy consumption.

Product Overview

High-Performance LED Lighting Solution

This high-lumen LED bulb is engineered for energy efficiency and long-lasting illumination in professional settings. With a versatile power range and multiple socket options, it provides a flexible solution for various lighting requirements. Designed for durability, the bulb offers an extended lifespan of 25,000 hours, significantly reducing maintenance and replacement frequency for commercial operations.

Technical Specifications

Available Power Ratings

- 38W
- 48W
- 60W
- 70W

Key Performance Metrics

95 Lm/w

Luminous Efficacy

25000 h

Lifespan

0.5 >

Power Factor (PF)

Electrical Data

Parameter	Specification
Input Voltage	AC170-240V
Ingress Protection	IP20

Compatibility

Color Temperature Options

3000K • 4000K • 6500K

Compatible Sockets

E27, B22
