

# Honeycomb Mesh Grille for Audi A4 RS4 2017

This high-quality replacement grille is designed for Audi A4 and RS4 models manufactured in 2017. It features a honeycomb mesh design with a gloss black finish and ensures easy installation.

## Product Overview

### Premium Honeycomb Mesh Grille

This honeycomb mesh grille is specifically engineered for 2017 Audi A4 and RS4 models, offering an immediate aesthetic upgrade. Designed for a direct fit, it replaces the factory grille to provide a more aggressive, sporty appearance. Constructed from durable PP material, this component ensures long-lasting performance and resistance to environmental factors.
