

Household Electric Fan with Stand

This electric fan is designed for household use. It features a protective grill, three blades, and a stand with control buttons for convenient operation.

Product Overview

Efficient Household Ventilation

This household electric fan is designed to provide reliable air circulation for residential environments. Featuring a classic three-blade design with a protective circular grill, it ensures both safety and consistent airflow. The unit is mounted on a sturdy, rounded base that includes integrated control buttons for easy operation.
