

Illuminated Snowman Sculpture with 70 Lights

This illuminated snowman sculpture is part of the Outdoor Series and provides a festive touch to indoor or outdoor holiday decorations. It features a collapsible construction for easy use and storage.

Product Overview

Festive Illuminated Decor

This 42-inch illuminated snowman sculpture is designed to bring a festive atmosphere to both indoor and outdoor holiday displays. Built with a durable, rust-resistant coated wire frame, it features a convenient collapsible design for easy setup and space-saving storage. With 70 pre-attached lights and a system that keeps the display glowing even if individual bulbs burn out, this piece offers reliable performance for your seasonal decoration needs.
