

Indoor Ceiling Fan with Integrated Lighting

This elegant ceiling fan provides both air circulation and ambient lighting. It features five blades, a brushed nickel finish, and three frosted glass shades.

Product Overview

Elegant Indoor Air Circulation

This indoor ceiling fan combines efficient air circulation with integrated ambient lighting, making it a versatile addition to any interior space. Featuring a sophisticated brushed nickel finish and five durable blades, the unit is designed to complement contemporary decor while providing reliable performance. The integrated three-light fixture, complete with frosted glass shades, ensures both comfort and illumination in a single, stylish package.
