Product Overview

Comprehensive range of industrial safety gear, including head protection, footwear, and respiratory equipment.

Industrial Protection

This industrial safety helmet is engineered for high-performance protection in demanding construction and manufacturing environments. Constructed from durable ABS and PE materials, it provides essential defense against impacts and punctures. The design features a 6-point suspension system for stability and comfort, ensuring reliability for professional use.

Technical Specifications

Protection Capabilities

Anti-puncture • Anti-shock

Material	ABS, HDPE, LDPE
Head Suspension	6 point
Adjustment Mechanism	Plug

Weight & Dimensions
