

Industrial Wall Mount Electric Fan

This heavy-duty industrial wall mount electric fan is designed for powerful air circulation. It features a robust metal construction and adjustable tilt and swivel mechanism for directional cooling.

Product Overview

Industrial-Grade Ventilation

This heavy-duty wall-mounted electric fan is engineered for powerful air circulation in demanding environments such as workshops, warehouses, and industrial facilities. Featuring a robust metal construction and durable aluminum blades, it is built to withstand rigorous daily use while ensuring efficient ventilation. The unit offers multiple speed settings and wide-angle oscillation to maintain optimal airflow, making it an ideal solution for temperature regulation and air quality improvement in large spaces.

Technical Specifications

Material & Build	Metal housing with aluminum blades
Number of Blades	3
Speed Settings	3
Available Sizes	16 inch, 18 inch, 20 inch
Finishing	Painted, Chromed

Compliance & Certification

Certifications

CE • GS • EMC • LVD • ROHS

Logistics & Capacity

Container Loading Capacity (2pcs/box)

Size	20FCL	40GP	40HQ
16 inch	1000	2000	2200
18 inch	880	1750	1900
20 inch	680	1350	1500
