

Ionic Hair Dryer with Concentrator Nozzle

This professional hair dryer is engineered with a high-performance motor for rapid and efficient hair drying. Ionic technology is integrated to diminish frizz and amplify shine, resulting in sleek and manageable hair.

Product Overview

Professional Ionic Hair Dryer

This professional-grade hair dryer is engineered with a high-performance 1800-2200W DC motor, providing powerful airflow for fast and efficient styling. Featuring integrated ionic technology, it helps to effectively reduce frizz and boost shine for a smoother finish. With versatile speed and heat controls, a cool shot function, and a precise concentrator nozzle, this tool offers the flexibility required for salon-quality results.
