

Long-Handled Bath Brush with Natural Bristles

This bath brush features a long handle for extended reach. Natural bristles provide effective cleaning and exfoliation during bathing.

Product Overview

Natural Bristle Bath Brush

This long-handled bath brush is designed to enhance daily personal care routines by making it easy to reach the back and other difficult-to-access areas. Featuring high-quality natural bristles, it provides effective exfoliation and cleansing for a refreshing bathing experience. The durable wooden handle ensures a comfortable grip, making it a reliable addition to any spa, hotel, or personal hygiene product inventory.
