

Long Nose Pliers with Dual Color Handle

These are American style long nose pliers. They feature a double color TPR handle for enhanced grip and come in sizes 6"/160mm, 7"/180mm, and 8"/200mm.

Product Overview

American Style Long Nose Pliers

These professional-grade long nose pliers are designed for precision and durability in demanding hardware applications. Featuring a robust construction with a polished, chrome, satin, and nickel-plated finish, they offer excellent resistance to corrosion and wear. The ergonomic dual-color TPR handle ensures a comfortable and secure grip during extended use.
