

Long Nose Pliers with Ergonomic Handles

These long nose pliers are designed with ergonomic handles for comfortable use. They are suitable for gripping, bending, and cutting wires.

Overview

Precision and Comfort Combined

These long nose pliers are engineered for precision tasks, offering excellent control for gripping, bending, and cutting wires in confined spaces. The ergonomic handle design minimizes hand fatigue during extended use, making them an essential tool for electricians and technicians. Built with durable materials, these pliers provide reliable performance for demanding professional applications.

Key Features

Ideal For

Electricians • Technicians • DIY Enthusiasts

Primary Applications

Electrical Work, Wire Cutting, Precision Gripping, Bending
