Product Overview

Versatile Emergency Lighting

This high-performance LED emergency light is engineered for durability and reliability in diverse environments. Featuring a magnetic base for rapid, secure attachment to metal surfaces, it is ideal for camping, warehouses, parking lots, and emergency situations. With a moisture-proof, dust-proof, and insect-proof design, it ensures consistent operation in challenging conditions.

Power & Battery

Battery Capacity	1200 mAh
Charging Time	3 hours
Discharge Time	4 hours
Charging Options	USB Charging, Optional Solar Panel

Lighting Performance

Light Modes

- 100% Brightness
- 50% Brightness
- Night-light
- Flash
- Warning Distress Signal

Technical Specifications

Key Features

Magnetic Base • Constant Current IC • Moisture-proof • Dust-proof • Insect-proof

Thermal Management	High thermal conduction aluminum plate
--------------------	--

Applications

Recommended Use	Home, Camping, Outdoor, Parking Lots, Warehouses, Adventure
