

Manual Hand Saw with Measurement Markings

This is a hand saw designed for manual cutting tasks. The blade includes measurement markings for accuracy.

Product Overview

Versatile Manual Cutting Solution

This manual hand saw is engineered for precision and efficiency in woodworking and general construction tasks. Featuring a durable blade with integrated measurement markings, it allows for quick, on-the-spot sizing without needing separate tools. The ergonomic handle design ensures a comfortable grip, making it suitable for extended use in professional or DIY environments.
