

# Matte Black Stainless Steel Wire Mesh Grille with LED Lights for Toyota FJ Cruiser

This matte black grille is designed for 2007-2014 Toyota FJ Cruiser models. Constructed from stainless steel wire mesh, it includes two integrated LED lights.

## ADDITIONAL IMAGES

## Product Overview

### Rugged Style and Enhanced Visibility

Upgrade your 2007-2014 Toyota FJ Cruiser with this Evolution matte black wire mesh grille, designed for both aesthetic appeal and off-road durability. Constructed from high-quality stainless steel with an ABS metallic finish, this grille features a sandblasted, powder-coated surface for superior resistance to the elements. The package includes two integrated LED lights to improve front-end visibility and provides a custom, aggressive look without the need for complex modifications.
