

MF 110 Classic Motorcycle

The MF 110 is a classic underbone motorcycle ideal for urban commuting. It features a step-through frame, single-cylinder engine, and practical features such as a front basket and rear carrier.

Overview

The MF 110 Classic Utility Motorcycle

The MF 110 Classic is a versatile, step-through motorcycle designed for efficient urban commuting and light transport duties. Combining a reliable single-cylinder engine with practical utility features like a front basket and rear carrier, it offers a balanced solution for daily logistics. Its classic design, accented with chrome details, ensures both aesthetic appeal and functional durability for professional use.
