Product Overview

High-quality Micro-USB connector designed for durability and fast charging.

High-Performance Data & Charging Cable

This high-quality Micro-USB to USB round data cable is engineered for fast charging and reliable data transmission. Constructed with flexible liquid silica gel, the cable offers superior durability and resistance to tangling, ensuring a long service life. It is designed to provide optimal performance for smartphones, tablets, and other electronic devices requiring a Micro-USB connection.

Technical Specifications

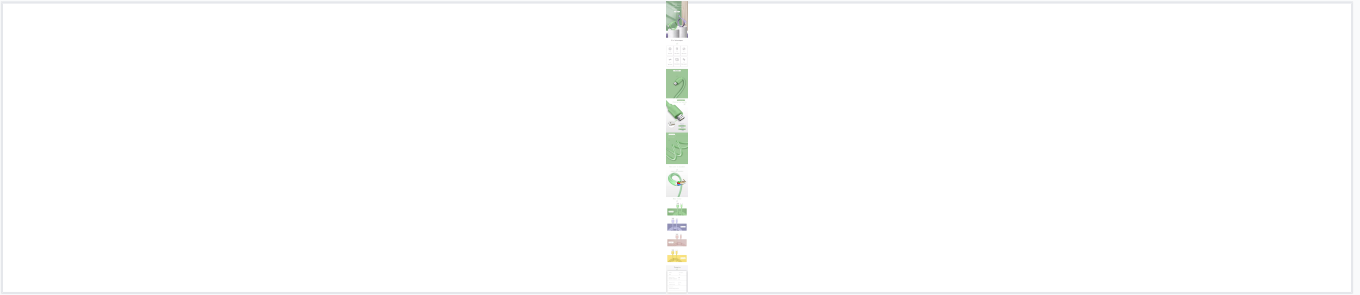

The round cable design ensures flexibility and prevents tangling during daily use.

Reliable connection for efficient power transfer and data synchronization.

Cable Length	3 m
Material	Liquid silica gel
Connector Type	USB Type-A, Micro-USB
Functions	Fast Charging, Data Transmission

Features & Aesthetics

Available in various colors with skin-friendly liquid silica gel material.

Available Colors

Green • Purple • Pink • Yellow

Design Features

- Round cable design
- Flexible and durable
- Tangle-resistant
- Skin-friendly material

Certifications & Standards

Certifications

CE, ROHS, FCC, ISO 9001, ISO 14001, BSCI
