

Mini Portable 1.8 kg Washing Machine

This mini washing machine has a 1.8 kg capacity. It is designed for small loads and portability.

Product Overview

Compact Laundry Solution

The XPB18-908 is a highly compact and portable washing machine designed for efficient laundry management in limited spaces. With a 1.8 kg washing capacity, it is an ideal solution for small apartments, dormitories, or mobile living environments like RVs. This unit is specifically engineered for light clothing and delicate items, offering a convenient, space-saving alternative to full-sized appliances.
