

Miniature Pliers Set

This set features miniature pliers in solid box, American, and long-reach styles. They are available in sizes ranging from 4.5" to 6" and lengths of 115mm to 150mm.

Product Overview

Professional Miniature Pliers Collection

This versatile collection of miniature pliers is designed for precision tasks in electronics, jewelry making, and fine mechanical work. The set includes a wide array of styles, including solid box joint pliers, American style pliers with ergonomic TPR handles, and long-reach models for accessing confined spaces. Available in various sizes ranging from 4.5" to 6", these tools are engineered for durability and control.
