

Mobile Laundry Cart with Collapsible Frame

This mobile laundry cart is designed for efficient laundry handling. It features a durable, powder-coated steel frame, smooth-rolling wheels, and a collapsible frame for easy storage.

Product Overview

Mobile Laundry Cart with Collapsible Frame

This mobile laundry cart is designed for efficient laundry handling in demanding environments like hotels, hospitals, and laundromats. Constructed from durable, powder-coated steel tubing, it ensures long-lasting reliability and stability. The collapsible frame design allows for space-saving storage when the unit is not in use, making it an ideal solution for facilities with limited space.
