

Motorcycle Drive Chain

This motorcycle drive chain ensures efficient power transfer from the engine to the wheel. It is constructed with durable materials for enhanced strength and wear resistance.

Product Overview

High-Performance Drive Chain

This high-performance motorcycle drive chain is engineered for durability, smooth power transmission, and enhanced wear resistance. Constructed with premium steel components, it features precision-engineered links that ensure optimal sprocket engagement for maximum efficiency. Designed to withstand various riding conditions, this chain offers reliable performance and an extended service life for your motorcycle.

Technical Specifications

Compatible Models

- 420
- 420H
- 428
- 428H
- 520
- 520H
- 530
- 630

Material Composition

Component	Material Grade
Plate	45Mn
Pin	30CrMnTi
Roller	20#

Product Features

Key Features

High Strength • Heat Treated • OEM Acceptable

Available Colors

Nature, Blue, Golden
