Product Overview

High-Performance Ignition Spark Plug

This high-performance ignition spark plug is engineered for motorcycle engines to ensure reliable ignition, improved fuel efficiency, and reduced emissions. Constructed with durable materials, it features a precision-engineered electrode for consistent spark and efficient combustion under demanding conditions. Designed for longevity, this component is suitable for a wide range of motorcycle models and engine types.

Technical Specifications

Model Number	A7TC
Compatibility	Motorcycle Engines

Logistics & Packaging

Quantity per Package	400 PCS
Net Weight	13.5 KGS
Gross Weight	13 KGS
Package Dimensions	37 x 26 x 27 cm

Quality & Standards

Quality Grade
Customizable • High Performance
