

Multi-Speed Kitchen Blender with Grinding Attachment

This is a versatile kitchen blender with a durable glass jar and stainless steel base. It features a multi-speed control dial and includes a separate grinding attachment for processing nuts, spices, and coffee beans.

Product Overview

Professional Kitchen Versatility

This multi-speed kitchen blender offers a powerful 2-in-1 solution, combining high-performance blending with a dedicated grinding attachment. Designed for efficiency, it features a durable stainless steel housing and a transparent glass jar, making it ideal for smoothies, soups, sauces, and crushing ice. With built-in safety features like motor overheat protection and a secure safety switch, it ensures reliability and peace of mind for any professional or commercial kitchen environment.
