

Multi-Tier Electric Food Steamer

This electric food steamer has multiple tiers for steaming various foods simultaneously. It features a digital display and timer for precise cooking control.

Product Overview

Efficient Multi-Tier Steaming

This multi-tier electric food steamer offers a versatile 3-tier design with BPA-free baskets, making it ideal for healthy, simultaneous cooking. Featuring a powerful 800W heating element with turbo steam technology, it begins cooking in just 40 seconds. The unit includes precise digital controls, an automatic keep-warm function, and convenient accessories like a rice bowl and egg holders, all housed in a durable, easy-to-clean stainless steel finish.
