

Multifunction Rechargeable Emergency Lantern with AM/FM Radio and Cassette Player

This rechargeable multifunction lantern features a fluorescent lantern, AM/FM radio, and cassette player. It also includes a siren and automatic light-up function during power failures.

Product Overview

Versatile Emergency Solution

This multifunction rechargeable lantern serves as a comprehensive emergency and utility device. Combining a high-output fluorescent illumination system with integrated AM/FM radio and cassette playback, it ensures both visibility and communication access during power outages. Designed for reliability, the unit features an automatic light-up function that activates immediately upon power failure.
