

Multipurpose Steam Cleaner with Attachments

This steam cleaner is designed for versatile household cleaning. It uses high-temperature steam to effectively remove dirt, grease, and grime from surfaces without chemicals.

Overview

Professional Versatile Steam Cleaning

The JJB-202-F multipurpose steam cleaner offers a high-performance solution for effective cleaning without the need for harsh chemicals. Utilizing high-temperature steam at 4 bar, this unit easily eliminates dirt, grease, and grime from a variety of surfaces. Its robust stainless steel boiler and ergonomic design ensure durability and ease of use for professional or heavy-duty household cleaning tasks.
