

Nested Measuring Cup and Spoon Set

This product is a set of nested measuring cups and spoons. The set is made of PS material and comes in four colors: yellow, red, green, and orange.

Product Overview

Versatile Kitchen Measuring Set

This nested measuring cup and spoon set is designed for efficient kitchen organization and precise ingredient measurement. Crafted from durable PS material, the set features a space-saving design that allows components to nest together for compact storage. With a vibrant color palette, these tools are both functional and easy to identify during cooking and baking tasks.
